Attention: Mr. Charles Welch

SUBJECT: USPTO Customer No. 48103

Dear Mr. Welch:

This is to follow up on our previous conversation regarding Customer No. 48103 and the numerous files that are incorrectly assigned to this customer number, causing significant confusion in our office.

As we previously discussed your Department was going to cancel this customer number and replace it with another customer number to avoid further confusion. Todate, we have not received a confirmation that such action was taken.

We have recently received the enclosed Notice, regarding Serial number 09/912,345. This case is not ours and has been incorrectly assigned to our law firm.

I would appreciate it if you could dissociate this and other cases from our Customer No. and that you take corrective action relative to these documents.

Sincerely,

Samuel A. Kassatly
